

TIWI ISLAND RETREAT

Welcome

Escape to a remote, natural paradise where you're completely off the grid and anything is possible. Set amongst a pristine marine sanctuary, Tiwi Island Retreat is one of Australia's premier barefoot destinations, hidden away on the western edge of Bathurst Island.

Tiwi Island Retreat is a place for everyone, as we cater for all ages and interests. Simply relax and enjoy the exclusive beachfront location, try your hand at the Retreat's world class fishing adventures, participate in Indigenous cultural tours, or enjoy unique wildlife encounters.

Our room rate per night includes accommodation, food, select alcohol, and experiences, which has been designed to offer you the very best of the island life. Guests have the option to customise their stay by booking any of our scenic, fishing or cultural tours listed in our activity menu.

The Retreat features luxury glamping tents, and a range of coastal style twin and family share rooms. The restaurant locale serves the most incredible ocean to plate cuisine, from chilli mud crab, barramundi wings and sashimi. The impressive 12 metre pool is the perfect place to enjoy a cocktail and take in the pristine paradise.

Tiwi Island Retreat acknowledges and pays respect to the past, present, and future Traditional Custodians and Elders of this nation; we are proud to work closely with the traditional owners of the Tiwi Islands to honour their land and culture in everything we do.

See you soon
