

# TIWI ISLAND RETREAT

## Welcome

Escape to a remote, natural paradise where you're completely off the grid and anything is possible. Set amongst a pristine marine sanctuary, Tiwi Island Retreat is one of Australia's premier barefoot destinations, hidden away on the western edge of Bathurst Island, Tiwi Islands.

Tiwi Island Retreat is a place for everyone. Simply relax and enjoy the exclusive beachfront location, try your hand at our world class fishing adventures, participate in Indigenous cultural tours, or simply take in the surrounding pristine paradise from our 12 metre beachfront pool.

The Retreat features Luxury Glamping Tents and a range of coastal-style twin and family share rooms. Our resident chef serves the most incredible ocean to plate cuisine, from chilli mud crab, barramundi wings and sashimi.

Our room rate is an inclusive package designed to offer you the very best of the island life. You have the option to customise your stay by booking any of our scenic, fishing, helicopter or cultural tours listed in our activity menu.

Tiwi Island Retreat acknowledges and pays respect to the past, present, and future Traditional Custodians and Elders of this nation; we are proud to work closely with the traditional owners of the Tiwi Islands to honour their land and culture in everything we do.

*See you soon*
